**Physical Characteristics<sup>6</sup>**

Width (W)	Length (L)	Height (H)	Weight
1.25" [3.2 cm]	5.25" [13 cm]	4.75" [12 cm]	0.5 lbs [227 g]

<sup>1</sup> Additional models available. Please contact a TASER International sales representative for more information.

<sup>2</sup> Product specifications may change without notice; actual product may vary from picture.

<sup>3</sup> Output specifications may vary depending on temperature, battery charge, or load characteristics.

<sup>4</sup> Material Safety Data Sheet (MSDS) related to lithium battery is available upon request.

<sup>5</sup> TASER Bolt and Pulse cartridges are available only in 15' [4.6 m] range. Use of cartridges not authorized by TASER International will void the product warranty.

<sup>6</sup> Dimensions and weights are for reference only.
