

U.S. STATE STATUTES SUMMARY: Regarding TASER® Brand Conducted Electrical Weapons

Below is a summary of United States statutes pertaining to TASER® conducted electrical weapons (CEWs) or stun guns. This summary is not all inclusive. Because state and local laws may change, it is your responsibility to research your applicable state and local laws prior to selling, transferring, possessing, transporting or using a TASER CEW. Additionally, this summary does not address the legality of TASER CEWs in foreign countries. For information on the transport, possession, and use of TASER CEWs in foreign countries please contact your local foreign distributor or TASER's International Sales Department at 1-800-978-2737.

This document is for informational purposes only and does not constitute legal advice from TASER International, Inc.
